

First Hill Streetcar Construction Update Meeting

Please join the Seattle Department of Transportation (SDOT) and the contractor for the First Hill Streetcar at a meeting to discuss the track construction schedule on South Jackson Street between Eighth Avenue South and Rainier Avenue South.

Come meet the project team and learn how construction will affect the streets, sidewalks and driveways in your community. Also, we want to hear from you about what materials could be developed to help businesses communicate detour information to their customers.

Vietnamese and Chinese interpreters will be present at the meeting. To request one in another language call (855) 657-5580

Date: Tuesday, August 27

Time: 3:00 – 4:00 p.m.

Place: Asian Resource Center - 1025 South King Street
