

## CENTER CITY CONNECTOR STREETCAR

Thank you for your interest in the Center City Connector Streetcar. In this weekly update, you'll find information about utility construction, planned water shutdowns, other work in the area, and ongoing construction.

### WHAT'S HAPPENING NOW

- Northbound long-term lane closures on 1st Ave S between S Jackson St and Yesler Way
- Westbound long-term lane closure on S Jackson St between 2nd Ave S and 1st Ave S
- Permanent parking removal along both sides of 1st Ave S between S Jackson St and Yesler Way
- Long-term temporary parking and load zone restrictions:
  - On the south side of S Main St between 1st Ave S and Nord Alley
  - In the yellow-striped load zone on the north side of S Washington St just east of 1st Ave S
  - In the red-striped no parking zone on the north side of S Washington St just west of 1st Ave S
- Current construction hours are 7 AM – 5 PM weekdays. Expect occasional night and weekend work.
- Expect typical construction impacts such as increased dust, noise, vibration, and truck activity

### Upcoming temporary water shutdown

**NIGHTTIME WATER SHUTDOWN TO OCCUR MONDAY, FEBRUARY 26, STARTING AT 7 PM**

Some customers will experience a nighttime water shutdown on **Monday, February 26, from 7 PM to 6 AM.**

The shutdown includes customers located on:

- 1st Ave S from S Jackson St to Columbia St
- S Main St from 3rd Ave S to Alaskan Way
- S Washington St from Occidental Ave S to Alaskan Way

Seattle Public Utilities transferring customers' service to the temporary water main

On Friday, February 16, Seattle Public Utilities will provide an official notification (door hanger) with detailed information about the shutdown to representatives at buildings that are affected.

Building managers and representatives have been asked to share this shutdown information with their tenants. If you're unsure of whether this water shutdown will occur in your building, please contact your property owner or their representative.

We'll continue to share the latest information on our [webpage](#) and in this weekly email update. You can also check out our [water shutdown FAQs](#) for more details about water shutdowns. Information about future water shutdowns will be shared as they are scheduled.

Questions or concerns about this work? Reach us at our 24-hr hotline, (206) 400-7578, or by emailing us at: [centercitystreetcar@seattle.gov](mailto:centercitystreetcar@seattle.gov).

## What to expect the week of February 18

S JACKSON ST FROM  
OCCIDENTAL AVE S TO 1ST AVE

## S and 1ST AVE S FROM S JACKSON ST TO S MAIN ST

- Crews will continue installing the new water main. This work requires pavement breaking. Expect noise and vibration, as well as typical construction impacts such as increased dust and truck activity.

## 1ST AVE S FROM S MAIN ST TO S WASHINGTON ST

- Crews will continue preparing to cut and cap the existing water main

## 1ST AVE S FROM S WASHINGTON ST TO YESLER WAY

- Crews will continue preparing to cut and cap the existing water main

## Other work in the area

From February 19 to February 23, Puget Sound Energy (PSE) will be working 7 PM - 5 AM weekdays along 1st Ave S between S Main St and S Washington St to replace and relocate a service regulator. To learn more about the PSE work, visit:

[www.pse.com/seattlecore](http://www.pse.com/seattlecore)

The Center City Connector will connect the 2 existing streetcar lines to move more people downtown to live, work, shop, and play. For more info or questions about construction, contact us at [centercitystreetcar@seattle.gov](mailto:centercitystreetcar@seattle.gov) or our 24/7 hotline, (206) 400-7578.
