

CENTER CITY CONNECTOR STREETCAR

Thank you for your interest in the Center City Connector Streetcar. In this weekly update, you'll find information about utility construction, planned water shutdowns, other work in the area, and ongoing construction.

WHAT'S HAPPENING NOW

- Northbound long-term lane closures on 1st Ave S between S Jackson St and Yesler Way
- Westbound long-term lane closure on S Jackson St between 2nd Ave S and 1st Ave S
- Permanent parking removal along both sides of 1st Ave S between S Jackson St and Yesler Way
- Temporary removal of a load zone and parking space on the south side of S Main St between 1st Ave S and Nord Alley
- Current construction hours are 7 AM – 5 PM weekdays
- Expect typical construction impacts such as increased dust, noise, vibration, and truck activity

Week of January 28 utility construction recap

S JACKSON ST FROM OCCIDENTAL AVE S TO 1ST AVE S and 1ST AVE S FROM S JACKSON ST TO S MAIN ST

- Continued excavating the street to expose and verify water services
- Continued connecting customers to the temporary water main
- Began preparing for cutting and capping the existing water main, prior to installation of new water main

1ST AVE FROM S MAIN ST TO S WASHINGTON ST

- Continued preparing the existing water main to be connected to the temporary main
- Continued excavating the street to expose and verify water services
- Began connecting customers to the temporary water main

1ST AVE FROM TO S WASHINGTON ST TO YESLER WAY

- Began installing the temporary water main
- Began excavating the street to expose and verify water services

What to expect the week of February 5

TEMPORARY LOADING ZONE RESTRICTIONS ON S WASHINGTON ST

The week of February 5, we'll be putting up temporary No Parking signs in the following two locations:

- In the yellow-striped load zone on the north side of S Washington St just east of 1st Ave S
- In the red-striped no parking zone on the north side of S Washington St just west of 1st Ave S

S JACKSON ST FROM OCCIDENTAL AVE S TO 1ST AVE S and 1ST AVE FROM S JACKSON ST TO S MAIN ST

- Crews will begin preparing for cutting and capping the existing water main, prior to installation of new water main

Click on image to enlarge

- Crews will continue connecting customers to the temporary water main

1ST AVE FROM TO S WASHINGTON ST TO YESLER WAY

- Crews will begin preparing the existing water main to be connected to the temporary main
- Crews will continue excavating the street to expose and verify water services

LONG WATER SHUTDOWN SCHEDULED FOR FEBRUARY 11 STARTING AT 7 PM

The first long water shutdown is scheduled to occur on **Sunday, February 11, from 7 PM to 5 AM.**

Seattle Public Utilities (SPU) worked with the building managers and businesses impacted by this shutdown to come up with a shutdown time that would be the least disruptive to customers. SPU door hangers with specific information about the shutdown have been placed in the buildings that are affected.

Excavating, using a vacuum truck, to expose and verify water services on 1st Ave S

The shutdown includes customers located on 1st Ave S from S King to S Main; S Jackson St from Occidental Ave to Alaskan Way; and S Main St from 1st Ave S to Alaskan Way. If you're unsure about whether your building is in the shutdown area, please contact your building manager.

We'll continue to share the latest information on our [webpage](#) and in this weekly email update. You can also check out our [water shutdown FAQs and map](#) for more details about water shutdowns. Information about future water shutdowns will be shared as they are scheduled.

Questions or concerns about this work? Reach us at our 24-hr hotline, (206) 400-7578, or by emailing us at: centercitystreetcar@seattle.gov.

Other work in the area

Puget Sound Energy (PSE) and Seattle City Light (SCL) are also conducting work in the area.

- To learn more about the PSE work, visit: www.pse.com/seattlecore
- To learn more about the SCL work, visit: www.seattle.gov/light/atwork

The Center City Connector will connect the 2 existing streetcar lines to move more people downtown to live, work, shop, and play. For more info or questions about construction, contact us at centercitystreetcar@seattle.gov or our 24/7 hotline, (206) 400-7578.

For more information about the project, please visit our [website](#).
