

CENTER CITY CONNECTOR STREETCAR

Thank you for your interest in the Center City Connector Streetcar. In this weekly update, you'll find information about utility construction, southbound lane closures, planned water shutdowns, other work in the area, and ongoing construction.

WHAT'S HAPPENING NOW

- Northbound long-term lane closures on 1st Ave S between S Jackson St and Yesler Way
- Westbound long-term lane closure on S Jackson St between 2nd Ave S and 1st Ave S
- Permanent parking removal along both sides of 1st Ave S between S Jackson St and Yesler Way
- Temporary removal of a load zone on the south side of S Main St between 1st Ave S and Nord Alley
- Long-term temporary load zone restrictions:
 - In the yellow-striped load zone on the north side of S Washington St just east of 1st Ave S
 - In the red-striped no parking zone on the north side of S Washington St just west of 1st Ave S
- Current construction hours are 7 AM – 5 PM weekdays. Expect occasional night and weekend work.
- Expect typical construction impacts such as increased dust, noise, vibration, and truck activity

Weekend work: Saturday, February 10

SOUTHBOUND LANES OF 1ST AVE S CLOSED BETWEEN YESLER WAY AND S WASHINGTON ST

On Saturday, February 10, crews will be working along 1st Ave S between Yesler Way and S Washington St from 8 AM to 3 PM. They'll be prepping customers' water service in advance of connecting them to the temporary water main. Impacts include:

- Southbound 1st Ave S will be closed between Yesler Way and S Washington St
- Expect noise and vibration, as well as due to pavement breaking work as well as typical construction impacts such as increased dust and truck activity

What to expect the week of February 11

S JACKSON ST FROM OCCIDENTAL AVE S TO 1ST AVE S and 1ST AVE S FROM S JACKSON ST TO S MAIN ST

- Crews will begin installing the new water main. This work requires pavement breaking. Expect noise and vibration, as well as typical construction impacts such as increased dust and truck activity.

1ST AVE S FROM S MAIN ST TO S WASHINGTON ST

- Crews may begin preparing for cutting and capping the existing water main

1ST AVE S FROM S WASHINGTON ST TO YESLER WAY

- Crews will begin connecting customers to the temporary water main
- Crews may begin preparing for cutting and capping the existing water main

Evening work: Tuesday, February 13

1ST AVE S BETWEEN YESLER WAY AND S WASHINGTON ST

On Tuesday, February 13, crews will be working along 1st Ave S between Yesler Way and S Washington St from 5:30 PM to 10:30 PM. This work is required to complete water service transfers. Impacts include:

- No additional traffic impacts on 1st Ave S are required for this work
- Noise from pipe-cutting and the use of generators, air compressors, and an excavator
- Typical construction impacts such as increased dust, vibration, and truck activity

Evening work: Thursday, February 15

SOUTHBOUND LANES OF 1ST AVE S CLOSED BETWEEN YESLER WAY AND S WASHINGTON ST

On Thursday, February 15, crews will be working along 1st Ave S between Yesler Way and S Washington St from 6 PM to midnight. This work is required to complete water service transfers. Impacts include:

- Southbound 1st Ave S will be closed between Yesler Way and S Washington St
- Noise from pipe-cutting and the use of generators, air compressors, and an excavator
- Typical construction impacts such as increased dust, vibration, and truck activity

Temporary water shutdowns

REMINDER: WATER SHUTDOWN TO OCCUR SUNDAY, FEBRUARY 11, STARTING AT 7 PM

The first long water shutdown is scheduled to occur on **Sunday, February 11, from 7 PM to 5 AM.**

Seattle Public Utilities door hangers with specific information about the shutdown have been placed in the buildings that are affected.

The shutdown includes customers located on 1st Ave S from S King St to S Main St; on S Jackson St from Occidental Ave to Alaskan Way; and on S Main St from 1st Ave S to Alaskan Way. If you're unsure about whether your building is in the shutdown area, please contact your building manager.

We'll continue to share the latest information on our [webpage](#) and in this weekly email update. You can also check out our [water shutdown FAQs and map](#) for more details about water shutdowns. Information about future water shutdowns will be shared as they are scheduled.

Questions or concerns about this work? Reach us at our 24-hr hotline, (206) 400-7578, or by emailing us at: centercitystreetcar@seattle.gov.

Other work in the area

Puget Sound Energy (PSE) and Seattle City Light (SCL) are also conducting work in the area.
