

CENTER CITY CONNECTOR STREETCAR

Thank you for your interest in the Center City Connector Streetcar. In this weekly update, you'll find information about ongoing construction.

WHAT'S HAPPENING NOW

- Intermittent lane closures on S Jackson St, S Main St, and S Washington St for water main construction
- Northbound long-term lane closures on 1st Ave S between S Jackson St and Yesler Way
- Westbound long-term lane closure on S Jackson St between 2nd Ave S and 1st Ave S
- Permanent parking removal along both sides of 1st Ave S between S Jackson St and Yesler Way
- Long-term temporary parking and load zone restrictions:
 - On the south side of S Main St between 1st Ave S and Nord Alley
 - In the yellow-striped load zone on the north side of S Washington St just east of 1st Ave S
 - In the red-striped no parking zone on the north side of S Washington St just west of 1st Ave S
- Current construction hours are 7 AM – 5 PM weekdays. Expect occasional night and weekend work.
- Expect typical construction impacts such as increased dust, noise, vibration, and truck activity

Phase 2 of utility construction starts soon!

We're hosting 2 information sessions to provide multiple opportunities for people to attend. Both sessions will have the same information. Pick a date and location that work for you, then drop in to learn more.

Tue, March 27: 4:30 – 6:30 PM

Pike Place Market, Elliott Bay Room
1433 1st Ave, 3rd floor

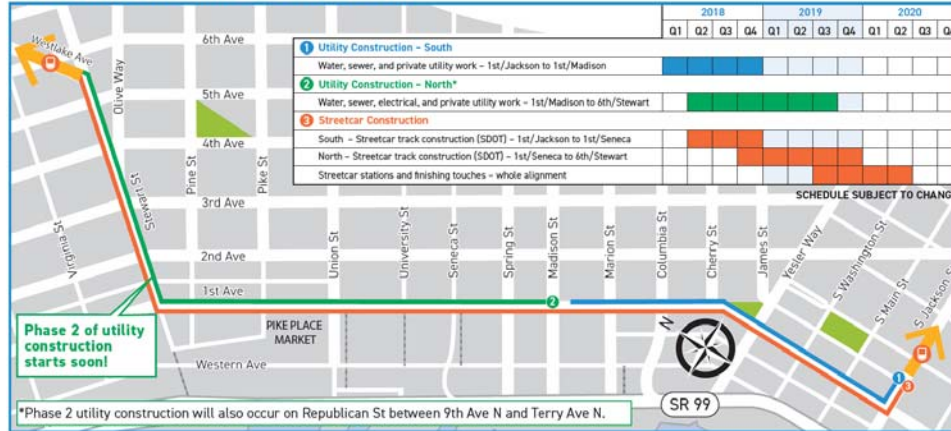

Wed, March 28: 11:30 AM – 1:30 PM

Pike Brewing Company
1415 1st Ave

ATTEND OUR UPCOMING INFO SESSIONS TO LEARN ABOUT:

- Project benefits and overall streetcar system
- Upcoming street closures, construction impacts, and changes to parking and load zones along 1st Ave between Madison and Stewart streets and along Stewart St between 1st and 6th avenues
- Planned temporary water shutdowns to install a new water main

CONSTRUCTION MAP AND SCHEDULE

Weekend work: Saturday, March 10

INTERSECTION OF 1ST AVE S AND S MAIN ST

This Saturday, March 10, starting at 8 AM, crews will be working near the intersection of 1st Ave S and S Main St installing a vault. Jackhammering may also be required to break the pavement in preparation for water main installation.

Expect noise and vibration, as well as typical construction impacts such as increased dust, truck activity, and exhaust.

EASTBOUND LANE CLOSURE ON S JACKSON ST BETWEEN 1ST AVE S AND NORD ALLEY

This Saturday, March 10, crews will close the eastbound lane of S Jackson for part of the day. This closure is required to lay water main pipe.

What to expect the week of March 11

S JACKSON ST FROM OCCIDENTAL AVE S TO 1ST AVE S and 1ST AVE S FROM S JACKSON ST TO S MAIN ST

- Crews will continue installing the new water main. This work requires pavement breaking and excavation.

Expect noise and vibration, as well as typical construction impacts such as increased dust, truck activity, and exhaust.

1ST AVE S FROM S MAIN ST TO S WASHINGTON ST

- Pavement demolition and removal to prepare for water main installation
- Removal of existing water main
- Crews will continue installing the new water main. This work requires pavement breaking and excavation.

Expect increased noise and vibration, as well as typical construction impacts such as dust, truck activity, and exhaust.

1ST AVE S FROM S WASHINGTON ST TO YESLER WAY

- Staging of construction materials and equipment

Crews installing the first section of new, earthquake-resilient water main in 1st Ave S at S Jackson St

Other work in the area

UPCOMING WORK BY PUGET SOUND ENERGY

Puget Sound Energy (PSE) will continue preparation work to relocate a natural gas main along 1st Ave between Cherry and Columbia streets. Work will consist chiefly of sawcutting and hard surface removal. There will also be sawcutting work at the intersection of 1st Ave and Cherry St and 1st Ave and Columbia St. For the duration of this work, southbound lanes will be closed along 1st Ave from Cherry St to Yesler Way. Work hours:

- 7 PM – 6 AM weekdays
- 7 PM – 5 AM and 9 AM – 3 PM weekends
- Weekend work will take place primarily during the day. Some additional nighttime work may be necessary.

To learn more about the PSE work, visit: www.pse.com/seattlecore or call the PSE hotline at 888-404-8773, ext. 1.

The Center City Connector will connect the 2 existing streetcar lines to move more people downtown to live, work, shop, and play. For more info or questions about construction, contact us at centercitystreetcar@seattle.gov or our 24/7 hotline, (206) 400-7578.
