

# CENTER CITY CONNECTOR STREETCAR

UTILITY WORK

APRIL 2018

## Utility work along 1st Ave BETWEEN YESLER WAY AND MARION ST

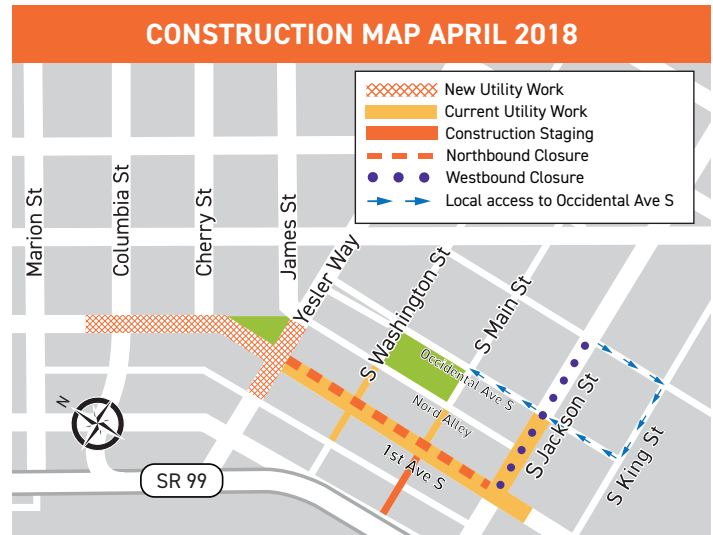

Starting as soon as April 25, crews will begin potholing to confirm utility locations. This work will require sawcutting and roadway excavations in multiple locations along 1st Ave between Yesler Way and Marion St. Work will likely begin in the south and move north. You can expect:

- Starting as soon as April 25, crews will close a single, northbound lane along 1st Ave between Yesler Way and Cherry St
- Starting Monday, April 30, from 7 AM to 3 PM weekdays, crews will close both northbound lanes along 1st Ave between Yesler Way and Columbia St. Detour signs will be posted.
- Parking restrictions
- Traffic detours

### TEMPORARY WATER MAIN

Once potholing to confirm utility locations is complete, crews will install the temporary water main along the curb and connect it to buildings on both sides of 1st Ave between Yesler Way and Marion St. We'll share more details on our website and through our weekly email update as the work gets closer, but please expect:

- Most parking along 1st Ave between Yesler Way and Marion St will be removed
- Temporary water shutdowns for some customers
- Nighttime and weekend intersection closures
- Northbound lanes along 1st Ave between Yesler Way and Columbia St closed around-the-clock

### WHAT TO EXPECT DURING CONSTRUCTION

- Typical construction hours are 7 AM – 5 PM weekdays. Construction-related noise may be heard as early as 6:30 AM as crews refuel equipment and begin staging for the day.
- Some weekend and nighttime work
- Sidewalk access will be maintained
- Parking and travel lane restrictions, and detours for people driving and biking
- Typical construction impacts such as increased dust, noise, and vibration
